## Directors' Report

---

The directors present their report, together with the financial statements, on Walkley Foundation Limited (referred to hereafter as the 'Foundation') for the year ended 30 June 2019.

### 1. Director details

The following persons were directors of the Foundation during or since the end of the financial year:

Kerry O'Brien

Marina Go

Michael Janda

Karen Percy

Marcus Strom

Lenore Taylor

Quentin Dempster (Resigned)

Angelos Frangopoulos (Resigned)

### 2. About

The Walkley Awards were established by Ampol Petroleum founder Sir William Gaston Walkley In 1956. The Walkley Foundation is today independently funded, and registered with the Register of Cultural Organisations, the Australian Charities and Not-for-Profit Commission and has tax deductible status (DGR). Our funding comes from media companies, corporate Australia, government, philanthropy and donations. We draw on the expertise of senior journalists and editors, chosen from a diverse cross-section of media organisations, formats and backgrounds. They guide our leadership and share their experience and insights through judging, projects, public talks and The Walkley Magazine. They uphold the integrity and credibility of the Walkley processes.

### 3. Objectives

The Foundation has been established to promote excellence in journalism in all its forms including visual arts, literature, film, video, television, photography, documentary and radio.

### 4. Key Strategic Directions

The Walkley Foundation has been celebrating and supporting great Australian journalism since 1956.

We sustain journalism that enriches our communities:

- By managing the Walkley Awards for Excellence in Journalism
- By promoting the public value of journalism and press freedom
- By fostering innovation in news gathering and storytelling
- By working collaboratively with all media
- By funding and facilitating mentorships and scholarships
- Through independence and good governance

### 5. Principal Activities

During the financial year the principal continuing activities of the Foundation were:

- Awards Program;
- Building communities and networking: conferences and public talks;
- Showcasing outstanding images: The Nikon-Walkley Photography Program;
- Keeping in touch: Communications and research; The Walkley Magazine, website, social media platforms;
- Encouraging Long-form journalism: The Walkley Literary and Documentary Programs;
- Skills for the future: Scholarships, Fellowships and International media exchanges
- Walkley grants program.

### 6. Awards Program

The Walkley Foundation has two awards programs, The Walkley Awards and the Mid-Year Awards. It administers awards programs on behalf of other organisations including the Our Watch Awards and the MEAA State Awards.

### 7. Performance Measures

The Foundation measures performance through the establishment and monitoring of financial KPIs:

- To assess the cost-effectiveness of events;
- To assess control over the company's administrative and other indirect costs;
- To assess new sponsorship and existing sponsorship targets; and
- To assess effective revenue and income streams.

### 8. Auditor's Independence Declaration

## Notes to the Financial Statements

### 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements cover Walkley Foundation Limited (the Foundation) as an individual entity. The Foundation is incorporated and domiciled in Australia.

The financial statements were authorised for issue by the Directors on 30 August 2019.

#### (a) Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Reduced Disclosure Requirements of the Australian Accounting Standards Board and the Australian Charities and Not-for-profits Commission Act. The Foundation is not-for-profit for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the Australian Accounting Standards Board has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

#### (b) Income tax

As the Foundation is a charitable institution in terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.

#### (c) Property, plant and equipment

Property, plant and equipment is stated at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

The depreciable amount of all property, plant and equipment is depreciated over the useful lives of the assets commencing from the time the asset is held ready for use.

Depreciation on other assets is calculated on a straight-line basis over the estimated useful life of the specific assets as follows:

|                     |              |
|---------------------|--------------|
| Plant and equipment | 2 to 3 years |
|---------------------|--------------|

Depreciation is recognised immediately in surplus or deficit.

### (d) Revenue and other income

Revenue is recognised when it is probable that the economic benefit will flow to the Foundation and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

Revenue is measured at the fair value of the consideration received or receivable and is stated net of the amount of goods and services tax (GST).

#### i) Grant revenue

Grant revenue is recognised at its fair value where there is a reasonable assurance that the grant will be received and all attached conditions will be complied with.

#### ii) Sponsorship and award revenue

Sponsorship revenue is recognised in the statement profit or loss and other comprehensive income on an accrual basis, as the relevant service is provided. When the sponsorship spans across several events, the funds are allocated to each event based on the stipulated amount in the contract.

#### iii) Event revenue

Event revenue is generated by ticket sales for the Walkley's Award event and is recognised when the event takes place.

#### iv) Donation and bequest revenue

Donations and bequests are recognised as revenue when received.

#### v) Interest revenue

Interest revenue is recognised when received.

#### vi) Sundry revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

### (e) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

## Notes to the Financial Statements

---

### (f) Provisions

Provisions are recognised when there is a present obligation (either legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the obligation. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the reporting period date. If the effect of the time value of money is material, provisions are discounted using a pre-tax discount rate that reflects the time value of money and the risks specific to the liability. The increase in the provision resulting from the passage of time is recognised as a finance cost in surplus or deficit.

### (g) Employee benefits

#### Short-term employee benefits

Provision is made for the liability for employee benefits arising from services rendered by employees to end of the reporting period date. Employee benefits expected to be settled within one year, together with entitlements arising from wages and salaries and annual leave which will be settled after one year, are measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Other employee benefits payable later than one year are measured at the present value of the estimated future cash outflows to be made for those benefits.

#### Long-term employee benefits

The Foundation classifies employees' long service leave as long-term employee benefits, when they are not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Provision is made for the Foundation's obligation for other long-term employee benefits, which is measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period. Upon the remeasurement of obligations for other long-term employee benefits, the net change in the obligation is recognised in surplus or deficit as part of employee benefit expense.

The Foundation's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where they do not have an unconditional right to defer settlement for at least 12 months after the reporting date, in which case the obligations are presented as current provisions.

#### Retirement benefit obligations

All employees of the Foundation receive defined contribution superannuation entitlements, for which the Foundation pays the fixed superannuation guarantee contribution to the employee's superannuation fund of choice. All contributions in respect of employees' defined contribution entitlements are recognised as an expense when they become payable. The Foundation's obligation with respect to employees' defined contribution entitlements is limited to its obligation for any unpaid superannuation guarantee contributions at the end of the reporting period. All obligations for unpaid superannuation guarantee contributions are measured at the (undiscounted) amounts expected to be paid when the obligation is settled and are presented as part of current trade and other payables in the Foundation's statement of financial position.

### (h) Accounts receivable

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collect within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

### (i) Accounts payable

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Foundation during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

### (j) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of twelve months or less.

### (k) Impairment of assets

At the end of each reporting period, the Foundation reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in surplus or deficit.

### (l) Changes in accounting standards issued but not yet effective

Several new standards, amendments to standards and interpretations are effective for annual reporting periods beginning after 30 June 2019, with early adoption permitted, but have not been applied in preparing these financial statements. None of these are expected to have a significant effect on the financial statements of the Foundation with the exception of the below:

#### **AASB 16 Leases**

AASB 16 will result in the recognition of almost all leases on the statement of financial position. The standard removes the current distinction between operating and financing leases and requires recognition of an asset (the right to use the leased item) and a financial liability to pay rentals for almost all lease contracts.

The application of AASB 16 will become mandatory for the Foundation's financial statements for the year ending 30 June 2020. The impact of the new standard on the Foundation's financial statements has not yet been determined.

#### **AASB 1058 Income of Not-for-Profit Entities**

AASB 1058 clarifies and simplifies the income recognition requirements that apply to not-for-profit (NFP) entities.

The application of AASB1058 will become mandatory for the Foundation's financial statements for the year ending 30 June 2020. The impact of the new standard on the Foundation's financial statements has not yet been determined.

## **INDEPENDENT AUDITOR'S REPORT**

### **To the members of Walkley Foundation Limited**

#### **Opinion**

We have audited the financial report of Walkley Foundation Limited, which comprises the statement of financial position as at 30 June 2019, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of Walkley Foundation Limited, is in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act, including:

- (a) giving a true and fair view of the Foundation's financial position as at 30 June 2019, and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards and Division 60 of the Australian Charities and Not-for-profits Commission Act.

#### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Foundation in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Responsibilities of Management and Those Charged with Governance**

Management and those charged with governance of the Foundation are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Australian Charities and Not-for-profits Commission Act and for such internal control as they determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

### **Auditor's Responsibility**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and those charged with governance.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
